Con 18 Nov^r. 1. From the Resident - with Petition from Syed Casim and recommending that he be placed on the list Chargeable to the Rajah on 12 Pag^s. per Mensem - He is nearly connected to the late family and to Humir ood Deen, he suffered by the misfortunes of the latter family, he would have been provided for, had they (as Gov^t. intended) be settled in Gurumcondah, his reasonable hopes from Humir ood Deen prevented his attendance on the Commissioner - his Claims con=sidered very strong by the principal Mussulmans ———— 934 1435 972 943 963

From D^o - with Substance of Arzee from Cadir Ali a connexion of the late Sultan - His father and Uncle were Buckhshees in the Mysoor Kundachar Cutcharee - His Petition was referred to the Resident when the Hon^ble the Gov^r. was in Mysoor, The Arzee is considered correct in Substance, and the Pet^r. seem to have good claims to 200 Pag^s. p^r. Annum (equal to which was offered by General Wellesly for him to his Nephew who refused the same, without Pet^rs. knowledge - Recommends the above be granted and made Chargeable to the Rajah ———— 936 1437 974 945 965

D^o — 4 From the Resident - with two Statements given by Nuswungy - He is Son to Byramjee who Served the Rajah of Coorg and Shewed good feeling to the English Gov^t. - the Statement give an idea of the general feeling against the evil Administration in Coorg - this is partly attributes to the restriction against passing the limits of the Country without a pass - this restriction was

recommended in consequence of certain abuses; but it facilitates tyrany and takes away the means of redress or escape. The Prince is of a good disposition; but young and Arbitrary the most gentle means of checking the System, as to request the Rajah to repair the Poodecherum Ghaut, to open the main road through the Country to Mysore, and the occasional marching of Troops (as before) through Coorg - Europeans should not visit the Capital without Passes - if means of escape are not afforded to the oppressed unpleasant discussion may insue - The bad example affects the Rajah of Mysore - The Resident requested the Rajah to examine a certain Petn from Nasuanjee who received an unfavorable Reply to his Petn
